MTA is pleased to provide your travel benefits for your short-term trip. We provide services to USA legal permanent residents participating in covered trips around the world. If Medical Repatriation is needed, it will be accomplished through our sister company, Jet ICU and their fleet of medically equipped Lear Jets. These aircraft can transport our members from both international and domestic locations to their home hospital. Additionally, our members have access to many "resources" including travel advice, currency exchange rates, personal security, and more.

When You are ILL or INJURED

When medical treatment is needed. If the illness or injury is not life-threatening secure the treatment and save all medical receipts and supporting documents to be submitted with your claim upon your return to the USA.

If the illness or injury is severe or life-threatening Please contact MTA emergency phone number on your ID Card, advising that you are involved in a medical situation. The MTA medical staff will establish communication with the treating doctor (should the member be hospitalized) at the attending medical facility. The medical staff will continue to monitor your condition and will keep the family and traveling group informed. Once you are able to return to your registered trip, the medical staff will document all information and cease communication.

Cost of Medical Benefit

When the occurred cost are expected to be great... DO NOT PAY any amount without calling MTA first.

Payment to these facilities is covered with prior approval from CTA/MTA for treatment up to \$100,000 USD for International trips. Any MTA approved payment you make with your claim submission of receipts and supporting documents will be reimbursed upon your return to the United States. Never give up your passport to any hospital employee. Only give it to your team leader.

Medical/Travel Claim Submission

Any MTA approved payment you make will be reimbursed upon your return to the United States and your submission of all claim receipts. Your reimbursement will come from the insurance company that underwrites our benefits, US Fire Insurance Company. The Claim Form and Instructions are available on the MTA website.

Getting You Home

As a member, if you BECOME SERIOUSLY ill or are injured while on a covered trip (more than 150 miles from home) you may be entitled to medical transportation to a medical facility of your choice near your residence.

MTA is to be contacted and MTA will make all the necessary arrangements to provide the appropriate method of transport depending on medical needs.

Your coverage automatically ends with the following reasons:

- 1. the date You complete Your Trip**
- 2. the Scheduled Return Date**
- 3. cancellation of Your Trip covered by this certificate.**

Contact your Team Leader for a copy of the
MTA POLICY - ACCIDENT, SICKNESS AND TRAVEL PROTECTION AND BENEFITS- Please Read

The Underwriter shall not be liable for expenses which are a continuation of treatment already received outside the United States of America while on a covered trip.

Pre-Existing Medical Condition means an illness, disease, or other condition which member received a recommendation for a test, exam, or medical condition 60 days prior to trip. No coverage for such condition.
